

RICK & KARIE BEAUCHAMP

Dear Praying Friends & Faithful Supporters,

We praise the Lord for what He has done in the year 2020. It is hard to believe that this year has gone by so quickly.

We would ask you to please pray for Cristi (pictured in the middle left) and Alex (pictured in the bottom left) both to be saved. They have been coming to some of our Church Services. They have family members very burdened for them that come here to our Services.

This picture is of Liliana. She came to Tina's House from Bucharest the day before Thanksgiving. She is 35 weeks pregnant with a girl. Please pray for Liliana's salvation as well as a safe delivery. She has been coming to the Services and is a blessing.

Recently I started a group on Facebook called "Hope in Constanta County." I was able to boost one of the post of Scriptures dealing with salvation and it reached into the homes of over 9,000 people in a total of 15 days. We were able to reach these people within a 25 mile radius of us. Please pray for fruit from this along with all gospel tracts passed out.

We rejoice in the souls saved in 2020 here in Romania. Please pray we can reach even more in 2021. We thank you for your prayers and support
